

# Paints, Primers and Sealants

Wide range available, please contact Nautical Supplies to discuss requirements for your vessel.

Developed and Manufactured in New Zealand. Brilliant Coats for Brilliant Boats.

## Altex Primers

Altex offer high performance epoxy aluminium primers, epoxy primers, and multi purpose primers.

## Altex Undercoat

Sandable epoxy high build coating which is both very corrosion and water resistant.

## Altex Anti Fouling

Range of anti foul options available for protecting the boat from marine growth, ideal for yachts, tenders, dinghies and powerboats.

## Altex Top Coats

Top Coat products provide excellent gloss and colour retention as well as resistance to moderate/severe marine environments.

## Altex Wood Coating

Suited to seal any wood surface destined for marine use, or as a pre sealant for marine paint and varnish.

## Altex Resins, glue and fillers

Variety of spot fillers, epoxy based resins and epoxy glue products available for gap filling and repair.

# Teak Care in the Top End and Cairns

Nautical Supplies are a SEMCO Teak Care Distributor.

## Sealant Products for Boats and Homes

Nautical Supplies are now a recognised distributor for SEMCO Teak Sealer products in the Top End Manufactured in the USA, SEMCO Teak care products are available in a variety of shades to suit a range of deck colours, teak furniture and more.

Recommended by major boat builders, SEMCO's teak products help retain shine and colour on superyacht decks, furniture and other wooden surfaces.

SEMCO won't stain or leave an oily finish, and protects surfaces from spills, mould and mildew, slowing the greying process to keep teak looking new and fresh for longer.

Teak is unmatched in its beauty and durability, with a little care it will last many years, with a little SEMCO it will remain looking like new. SEMCO works in a similar fashion on other types of wood such as Iroko, Mahogany, Redwood, Ash and more.

## Available products include:

### NATURAL

For a golden tan glow of lightly weathered teak

### CLEARTONE

Resembles an oiled surface, contains no pigment.

### HONEYSTONE

Rich honey colour resembling new teak

### GOLDTONE

Provides the reddish brown lustre of freshly sanded teak
