

Marine Radio Antennas

Professional and leisure marine equipment available for commercial vessels as well as sailboats, RIBs and motoryachts.

Glomex Antennas

Glomex is the only manufacturing company in the nautical sector that offers a Lifetime Warranty on many of its products thanks to the meticulous choice of the raw materials and components.

Founded in 1984, Glomex is a leader in the manufacturing of specific antennas for the nautical sector. Popular equipment includes coastal internet systems with a compact antenna, VHF and HF Antennas. New products include high performance Wi-Fi hot spot systems for on board application.

GME Antennas

Robust and user friendly, GME offer a range of antenna systems suited to Australian marine climates. The range includes VHF, AM/FM, TV and more. 4WD and touring specific models also available for caravans, 4WD vehicles and RV.

Bantén

Bantén Radio Antennas

Since 1969 Italian manufacturer Bantén have been designing and manufacturing marine antennas for leisure marine, professional and naval defence application.

The range includes VHF, AIS, GSM, Wi-Fi, AM/FM, GMDSS, TV, CB, HF, and UHF. Bantén also offer a range of terrestrial tv antennas for caravans and motorhomes featuring snap on connectors designed to protect the antenna in the event of obstructions such as trees and branches.
